BEST PRACTICE

March, 2022

The NCC Cadets of the College are controlling the Town Traffic in collaboration with the Department of Police, Chintalapudi. As a part of Community Service Initiative, Cadets are on duty on every evening during the peak hour from 5:00 PM to 6:00 PM.

NSS ACTIVITIES**World Water Day 2022**

On the occasion of **World Water Day on 22nd March 2022**, NSS volunteers from Chintalapudi Government Degree College in the local **Kanupada** village mobilized solutions to the causes of water scarcity with the motto "Water is life - It is the people's shield".

Ground water is being questioned in the West Godavari hilly region where people are increasingly dependent on ground water for cultivation and drinking water. In such situations, the College NSS Officer, Environmental Researcher, Dr. A. Venkateswara Rao participated and said borehole recharge chambers are required to drive away rainwater and conserve groundwater.

The event was attended by NSS Team Leaders, and Village Youth Leader, M.Rajesh, Village People, College NSS Volunteers.

NSS ACTIVITIES**World TB Day 2022 - Let's conquer 'Tuberculosis' with awareness!**

On the occasion of **World Tuberculosis (TB) Prevention Day on 24th March 2022**, Government Degree College, Chintalapudi organized **Tuberculosis Awareness Program** under the auspices of the College NSS Unit.

Dr. P. Srinivasa Rao, Principal said that a wide variety of micro-organisms are killing some humans vertically. Among them are Corona virus, HIV viruses as well as Bacterial Tuberculosis (TB) and World Health Organization calls for awareness to prevent and conquer Tuberculosis.

Dr. A Venkateswara Rao, NSS Officer, Lecturer in Chemistry said Tuberculosis (TB) is an infectious disease that is transmitted by bacteria with the droplets that come from sneezing and coughing in patients. Symptoms of TB include cough, fever, weight loss, and chills in the evening for more than two weeks. Apart from these, if you are infected with tuberculosis, you will sweat. Decreased appetite, get tired quickly. It has been suggested that if such symptoms are present, chest tightness may also lead to fatigue and that appropriate precautions should be taken to prevent tuberculosis. The event was attended by faculty, NSS volunteers and students.

UGADI CELEBRATIONS-2022

Under the banner Women Empowerment Cell and IQAC a unique programme was devised and organized. Under the stewardship of Mrs. M. Manimala, Convener, Lt. G. J. Mounika, Co-convener and Dr. Syed Mir Hassim, Programme Director the event was executed on 2022.

UGADI CELEBRATIONS-2022

HONORING THE SMALL FARMERS:

Farmer, the producer of food grains, is one of the unsung front worriers who even during the Covid-19 pandemic years strove hard to produce food for all. Such unacknowledged heroes were recognized for their continued contribution to society who produced crops in the most natural way possible being unmindful of the returns. Six small farmers were honored on the occasion.

HONOURING THE MAKER OF FOOD:

Healthy and Nutritious food is the only lifeline to all to recognize the home maker and those who are in the habit of cooking traditional food rich with nutrients were invited to exhibit any two food items, namely a sweet and a main course. About 22 participants exhibited their food items in the food fest competition those who prepared food following the natural practices, explained the process of food were given away the prizes.

POST COVID INTIATIVE AND CREATION OF AWARENESS TO YOUTH:

The pandemic, covid-19 has taught us many unforgettable lessons to the entire human kind. One such is to take healthy food with rich nutrients hence to educate the youth about the importance of consuming such food festival with natural food items was organized.

AGRO EXHIBITION:

In collaboration with the district agriculture department stalls were organized to educate public about natural Agro practices, advantages of chemical free pesticides and fertilizers, different varieties food grains etc.

PROGRAMME SPONCERERS:
